RE: Letter of Recommendation  
J.G. Tate Fire Protection Systems, Inc.

This letter will advise that J.G. Tate Fire Protection Systems, Inc. has been performing fire sprinkler work for Erickson-Hall Construction Co. for many years. Tate is one of our preferred fire sprinkler specialty contractors. They have completed projects of similar nature and complexity to the City of Escondido Police and Fire Facility. J.G. Tate's performance has always been satisfactory.

Sincerely,

Michael Hall  
Chief Operating Officer
